

My Village Library

My Village Library is a nonprofit tutoring program supporting the education and developmental growth of students in our community. We provide a welcoming and resourceful environment for students through Sixth Grade to receive academic assistance.

We strive to **EXCITE, PREPARE, TRANSFORM AND RELEASE** students to be lifelong learners.

Our students come from more than a dozen schools in Hurst, Euless, Bedford ISD. Students apply each year to be a part of our program, or they are recommended by school counselors or teachers. Many of our students come from homes where English is not their first language.

My Village Library staff and volunteers work throughout the school year to track students' progress with the help of HEB support staff. These community volunteers help students with math and reading practice along with homework twice a week during one-hour sessions.

Our volunteers are invested in the life of each of our students and are committed to the development of key assets that will enable the child to become productive members of our community and pursue their dreams.

THANK YOU TO OUR 2024 SPONSORS!

A Special "Thank You" to the Bolles Family for providing the meal at our Awards Luncheon

GOLF

SCRAMBLE

BENEFITING **My Village Library**

Rev. Dr. Wilson Canafax, a past senior pastor at First United Methodist Church of Hurst and an avid golfer, is the namesake of this tournament.

All proceeds from the 32nd Annual Canafax Golf Scramble benefit *My Village Library*.

My Village Library strives to empower our neighbors by ensuring they have support for their children's education. Our vision is a community where every student has the opportunity to thrive academically so that the community as a whole thrives. Learn more at www.MyVillageLibrary.org.
